WHAT IS SPS?
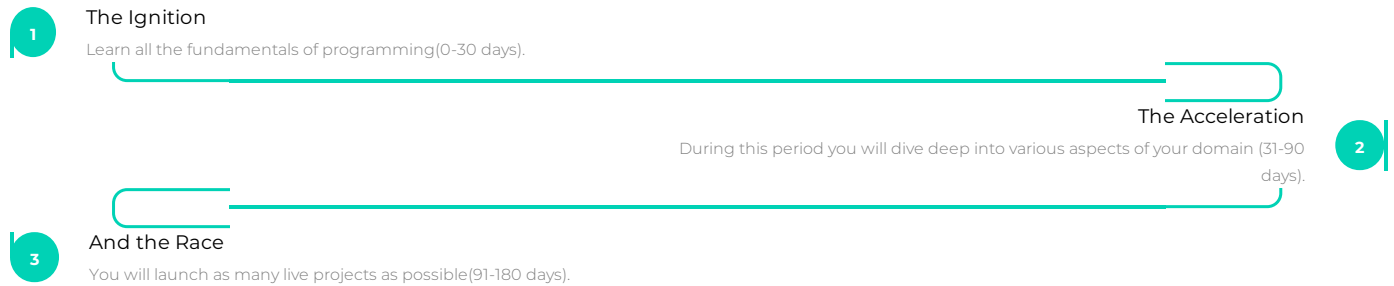

Features

HOW SPS WORKS?

Life at SPS

SPS is built on 3 principles i.e Open Material Education, Self Learning and Peer to peer Learning
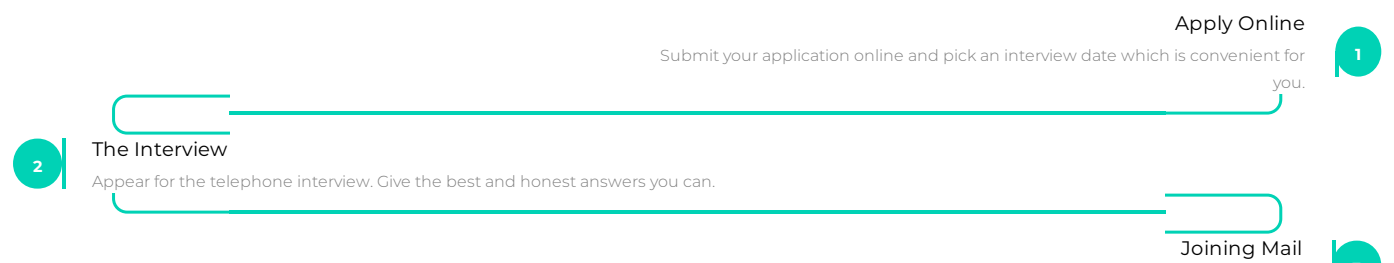

1 The Ignition
Learn all the fundamentals of programming(0-30 days).

2 The Acceleration
During this period you will dive deep into various aspects of your domain (31-90 days).

3 And the Race
You will launch as many live projects as possible(91-180 days).
